### HELP OUR SCHOOL GROW EDUCATE THE TEACHERS OF TOMORROW

Nestled in the breathtaking Laurentian mountains of Quebec, Canada, BMC Teachers Seminary offers one of the most dynamic and comprehensive seminary experiences. BMC's two-year program, affiliated with Cegep Marie-Victorin, is designed to give high school graduates a first-class academic program in Jewish/Chassidic studies, and intensive learning in Teaching Methodology, Child Development and Special Education.

S. Agathe's beautiful country atmosphere provides the ideal setting for serious study and personal growth. Furthermore, the seminary's close affiliation with the thriving S. Agathe Jewish community gives students unlimited opportunities to gain valuable outreach experience and leadership skills.

The director of BMC, Mrs. Chana Carlebach, has developed a reputation for bringing out the best in each of her students. Mrs. Carlebach's belief in the power of women is what motivated her to build her leadership based curriculum. The individual talents and capabilities of every student are magnified and brought to the forefront. Girls come from all around the world seeking to benefit from what our program has to offer.

In honor of Seminary BMC's tenth graduation, we are compiling our tenth annual journal. We print over 500 copies and will distribute it at the dinner and throughout S. Agathe & the greater Montreal area.
